Subject: Hearing on DNs 2021-143-E and 2021-144-E - Smart \$aver Solar Dockets for DEP and DEC

To the Parties:

This message is for the parties who will be live in the Commission hearing room for tomorrow's hearing, that is the Duke Companies, and the Office of Regulatory Staff. I would ask that when you are cross-examining a witness for an opposing party with cross-examination paper exhibits, please bring copies to hand to the witness and to opposing counsel. This would help the Commission Staff tremendously. Commission Staff will still hand the exhibits to the Commissioners and to other Commission Staff present in the Hearing Room.

Thank you in advance for your cooperation in this matter.

Regards,

David Butler

Chief Hearing Officer
